

**Welcome Racers and Families, to the 2017 Region 9 Race at the one and only
QMA Club in Canada!**

LQMA is pleased to hold the fourth Region Race of 2017.

Before you know it, you will be experiencing the LQMA Racetrack at its finest.

This is the 38th year for our track and we are thankful to the dedicated families back in 1979/1980 for their insight in creating this facility which becomes an integral part of our children's characters.

We are anticipating a car count near 200 and are looking forward to hosting the drivers, their families and friends.

With this in mind, let's address parking as it is always the biggest challenge. We will do our best to ensure that everyone is comfortable, however, we also need to work together with our fellow racers so an enjoyable weekend is had by all.

LQMA will be offering a Prime Rib Dinner on Saturday evening for \$12us. This will be complimented with a potatoes & caesar salad. Please pre-register for dinner so that we can have an accurate head count for the amount of food required, please email LangleyQMA@gmail.com
